ARTICLE III PARTNERS

3.1 General and Limited Partners. The Partnership shall consist of the General Partner, the Limited Partners listed from time to time in **Schedule A** hereto, and such additional and substituted Partners as may be admitted to the Partnership pursuant to **ARTICLE VI**. The General Partner shall cause **Schedule A** to be amended from time to time to reflect the admission of any Partner, the removal or withdrawal of any Partner for any reason or the receipt by the Partnership of notice of any change of name of a Partner. The amounts of the Partners' respective Capital Contributions are set forth in the books and records of the Partnership at the Partnership's principal office.

3.2 Liability of Partners.

(a) The General Partner shall have unlimited liability for the repayment and discharge of all debts and obligations of the Partnership.

(b) The Partners designated as Limited Partners in the books and records of the Partnership, and former Limited Partners, shall be liable for the repayment and discharge of all debts and obligations of the

Partnership attributable to any fiscal year (or relevant portion thereof) during which they are or were Limited Partners of the Partnership to the extent of their respective interests in the Partnership in the fiscal year (or relevant portion thereof) to which any such debts and obligations are attributable.

(c) The Partners and all former Partners shall share all losses, liabilities or expenses suffered or incurred by virtue of the operation of the preceding paragraphs of this **Section 3.2** in the proportions of their respective Partnership Percentages (as defined in **Section 5.3**) for the fiscal year (or relevant portion thereof) to which any debts or obligations of the Partnership are attributable. A Limited Partner's or former Limited Partner's share of all losses, liabilities or expenses shall not be greater than its respective interest in the Partnership for such fiscal year (or relevant portion thereof). The General Partner shall be liable for the losses, liabilities or expenses suffered or incurred by virtue of the operation of **Section 3.2(a)** in excess of the interests of the Limited Partners and former Limited Partners in the Partnership in the fiscal year (or relevant portion thereof) to which any debts or obligations are attributable.

(d) Notwithstanding any other provision in this Agreement, in no event shall any Limited Partner (or former Limited Partner) be obligated to make any additional contribution whatsoever to the Partnership, or have any liability for the repayment and discharge of the debts and obligations of the Partnership (apart from its interest in the Partnership), except that a Limited Partner (or former Limited Partner) may be required, for purposes of meeting such Limited Partner's (or former Limited Partner's) obligations under this **Section 3.2**, (i) to make additional contributions or payments, respectively, up to, but in no event in excess of, the aggregate amount of returns of capital and other amounts actually received by it from the Partnership during or after the fiscal year to which any debt or obligation is attributable and (ii) to make such contributions as are required under **Section 7.5(d)(ii)**.

(e) As used in this Agreement, the terms "former Limited Partner" and "former Partner" refer to such persons or entities as hereafter from time to time cease to be a Limited Partner or Partner, respectively, pursuant to the terms and provisions of this Agreement.

(f) As used in this **Section 3.2**, the terms "interests in the Partnership" and "interest in the Partnership" shall mean with respect to any fiscal year (or relevant portion thereof) and with respect to each Partner (or former Partner) each Capital Account (as defined in **Section 5.2**) that such Partner (or former Partner) would have received (or in fact did receive) pursuant to the terms and provisions of **ARTICLE VII** upon withdrawal from the Partnership as of the end of such fiscal year (or relevant portion thereof).

3.3 Partnership Property; Partnership Interest. No property of the Partnership shall be deemed to be owned by any Partner individually, but shall be owned by and title shall be vested solely in the Partnership. The Interests of the Partners shall constitute personal property.

ARTICLE IV MANAGEMENT OF THE PARTNERSHIP

4.1 Management Generally. The management of the Partnership shall be vested exclusively in the General Partner. Except as authorized by the General Partner, the Limited Partners shall have no part in the management of the Partnership, and shall have no authority or right to act on behalf of the Partnership in connection with any matter.

4.2 Authority of the General Partner. The General Partner shall have the power on behalf and in the name of the Partnership to carry out any and all of the objects and purposes of the Partnership set forth in

Section 2.3, and to perform all acts and enter into and perform all contracts and other undertakings that it may deem necessary, advisable or incidental thereto, including, without limitation, the power to:

- (a) provide research and analysis, and direct the formulation of investment policies and strategies for the Partnership;
- (b) acquire a long position or a short position with respect to any Security and make purchases or sales increasing, decreasing or liquidating such position;
- (c) purchase Securities and hold them for investment;
- (d) enter into contracts for, or in connection with, investments in Securities;
- (e) possess, transfer, mortgage, pledge or otherwise deal in, and exercise all rights, powers, privileges and other incidents of ownership or possession with respect to, Securities and other property and funds held or owned by the Partnership;
- (f) lend, either with or without security, any Securities, funds or other properties of the Partnership, including by entering into reverse repurchase agreements, and, from time to time, without limit as to the amount, borrow or raise funds, including by entering into repurchase agreements, and secure the payment of obligations of the Partnership by mortgage upon, or pledge or hypothecation of, all or any part of the property of the Partnership;
- (g) open, maintain and close accounts, including margin and custodial accounts, with brokers and dealers, including brokers and dealers located outside the United States and brokers and/or dealers affiliated with the General Partner, which power shall include the authority to issue all instructions and authorizations to brokers regarding the Securities and/or money therein;
- (h) open, maintain and close accounts, including custodial accounts, with banks, including banks located outside the United States, and draw checks or other orders for the payment of monies;
- (i) combine purchase or sale orders on behalf of the Partnership with orders for other accounts to whom the General Partner or any of its affiliates provides investment services (“Other Accounts”) and allocate the Securities or other assets so purchased or sold, on an average price basis, among such accounts;
- (j) enter into arrangements with brokers to open “average price” accounts wherein orders placed during a trading day are placed on behalf of the Partnership and Other Accounts and are allocated among such accounts using an average price;
- (k) retain the General Partner or other persons, firms or entities selected by the General Partner to provide certain management services to the Partnership (any such person, firm or entity providing such services from time to time is herein called the “Management Company”) and to cause the Partnership to compensate the Management Company for such services; *provided, however*, management, control and conduct of the activities of the Partnership shall remain the responsibility of the General Partner;
- (l) retain other persons, firms or entities selected by the General Partner, to provide certain administrative services to the Partnership (any such other person, firm or entity providing such services from time to time is herein called the “Administrator”) and to cause the Partnership to compensate the Administrator for such services; *provided, however*, management, control and conduct of the activities of the Partnership shall remain the responsibility of the General Partner;

- (m) maintain for the conduct of the Partnership's affairs one or more offices and in connection therewith rent or acquire office space, and do such other acts as the General Partner may deem necessary or advisable in connection with the maintenance and administration of the Partnership;
- (n) engage personnel, whether part-time or full-time, and attorneys, independent accountants or such other persons as the General Partner may deem necessary or advisable;
- (o) authorize any partner, employee or other agent of the General Partner or agent or employee of the Partnership to act for, and on behalf of, the Partnership in all matters incidental to the foregoing; and
- (p) do any and all acts on behalf of the Partnership as it may deem necessary or advisable in connection with the maintenance and administration of the Partnership, and exercise all rights of the Partnership, with respect to its interest in any person, including, without limitation, the voting of Securities, participation in arrangements with creditors, the institution and settlement or compromise of suits and administrative proceedings and other like or similar matters.

4.3 Reliance by Third Parties. Persons dealing with the Partnership are entitled to rely conclusively upon the certificate of the General Partner to the effect that it is then acting as the General Partner and upon the power and authority of the General Partner as herein set forth.

4.4 Activities of the General Partner. The General Partner, the Management Company, and affiliates of the General Partner and the Management Company, and any of their respective members, partners, officers and employees (collectively, "Affiliates"), shall devote so much of their time to the affairs of the Partnership as in the judgment of the General Partner the conduct of its business shall reasonably require, and none of the General Partner, the Management Company or Affiliates shall be obligated to do or perform any act or thing in connection with the business of the Partnership not expressly set forth herein. Nothing herein contained in this **Section 4.4** shall be deemed to preclude the General Partner, the Management Company or Affiliates from exercising investment responsibility, from engaging directly or indirectly in any other business or from directly or indirectly purchasing, selling, holding or otherwise dealing with any Securities for the account of any such other business, for their own accounts, for any of their family members or for other clients. No Limited Partner shall, by reason of being a partner in the Partnership, have any right to participate in any manner in any profits or income earned, derived by or accruing to the General Partner, the Management Company or any Affiliate from the conduct of any business other than the business of the Partnership (to the extent provided herein) or from any transaction in Securities effected by the General Partner, the Management Company or such Affiliate for any account other than that of the Partnership.

4.5 Exculpation. Neither the General Partner, the Management Company nor any Affiliate shall be liable to any Partner or the Partnership for any acts, omissions or errors of judgment or for any loss arising out of or in connection with the Partnership, any investment made or held by the Partnership or this Agreement unless such action, omission or error of judgment was made in bad faith or constituted fraud, willful misconduct or gross negligence of the General Partner, the Management Company or Affiliates or for any act, omission or error of judgment of any broker or agent of the Partnership; *provided* that such broker or agent was selected, engaged or retained by the Partnership with reasonable care. The General Partner, the Management Company and Affiliates may consult with counsel and accountants in respect of the Partnership's affairs and shall be fully protected and justified in any action or inaction that is taken in reasonable reliance upon the advice or opinion of such counsel or accountants; *provided* that they shall have been selected with reasonable care. Notwithstanding any of the foregoing to the contrary, the provisions of this **Section 4.5** shall not be construed so as to provide for the exculpation of the General Partner, the Management Company or any Affiliate for any liability (including liability under federal securities laws which,

under certain circumstances, impose liability even on persons that act in good faith), to the extent (but only to the extent) that such liability may not be waived, modified or limited under applicable law, but shall be construed so as to effectuate the provisions of this **Section 4.5** to the fullest extent permitted by law.

4.6 Indemnification. To the fullest extent permitted by law, the Partnership shall indemnify and hold harmless the General Partner, the Management Company, the Affiliates and the legal representatives of any of them (each, an “Indemnified Party”) from and against any loss, cost or expense suffered or sustained by an Indemnified Party by reason of: (i) any acts, omissions, errors of judgment or alleged acts, omissions or errors of judgment arising out of or in connection with the Partnership, any investment made or held by the Partnership or this Agreement, including, without limitation, any judgment, award, settlement, reasonable attorneys’ fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, *provided* that such acts, omissions, errors of judgment or alleged acts, omissions or errors of judgment upon which such actual or threatened action, proceeding or claim are based were not made in bad faith or did not constitute fraud, misconduct or negligence of such Indemnified Party; or (ii) any acts, omissions, errors of judgment or alleged acts, omissions or errors of judgment of any broker or agent of any Indemnified Party, *provided* that such broker or agent was selected, engaged or retained by the Indemnified Party with reasonable care. The Partnership shall, in the sole discretion of the General Partner, advance to any Indemnified Party reasonable attorneys’ fees and other costs and expenses incurred in connection with the defense of any action or proceeding that arises out of such conduct. In the event that such an advance is made by the Partnership, the Indemnified Party shall agree to reimburse the Partnership for such fees, costs and expenses to the extent that it shall be determined, based upon a final binding non-appealable judicial or administrative ruling, order or finding, that such Indemnified Party was not entitled to indemnification under this **Section 4.6**. The foregoing provisions shall survive the termination of this Agreement.

4.7 Principal Transactions and Other Related Party Transactions. Each Limited Partner hereby authorizes the General Partner, on behalf of such Limited Partner, to select one or more persons, who shall not be affiliated with the General Partner, to serve on a committee, the purpose of which shall be to consider and, on behalf of the Limited Partners, approve or disapprove, to the extent required by applicable law, principal transactions and certain other related party transactions. In no event shall any such transaction be entered into unless it complies with applicable law.

4.8 Management Fee.

(a) The Partnership shall pay to the Management Company as of the first day of each fiscal quarter a fee for management services (the “Management Fee”) at an annualized rate according to the applicable schedule set forth in **Annex B** to this Agreement of the balance of each Capital Account of each Limited Partner admitted to the Partnership. The annualized rate used to determine the Management Fee with respect to each Capital Account shall be based on the total Capital Contributions made by the particular Limited Partner (not adjusted for subsequent Net Capital Appreciation and Net Capital Depreciation). The Capital Account of the General Partner shall not be debited for the Management Fee. In the sole discretion of the Management Company, the Management Fee may be waived, reduced or calculated differently with respect to any Partner.

(b) A pro rata portion of the Management Fee will be paid out of any Capital Contributions made by new or existing Limited Partners to the Partnership on any date that does not fall on the first day of a fiscal quarter, based on the number of months remaining in such partial fiscal quarter following such capital contribution. A pro rata portion of the Management Fee will be reimbursed to a Limited Partner that withdraws from the

Partnership, in whole or in part, on any date that does not fall on the last day of a fiscal quarter, based on the number of months remaining in such partial fiscal quarter following such withdrawal.

(c) The Management Company provides to the Partnership office space and utilities, computer equipment and software, and secretarial, clerical and other personnel. The Management Company is responsible for the costs of providing such goods and services, and for all of its own overhead costs and expenses. Notwithstanding the preceding sentence, certain goods, services, costs and expenses may be provided or funded through soft dollars generated by the Partnership. The Management Fee may exceed the expenses borne by the Management Company on behalf of the Partnership.

4.9 Payment of Certain Costs and Expenses. The Partnership shall bear its own operating expenses, including, but not limited to, investment expenses (*e.g.*, brokerage commissions, expenses relating to short sales, clearing and settlement charges, custodial fees, interest expenses, research expenses), professional fees (including, without limitation, expenses of consultants and experts' fees relating to particular investments), travel expenses related to investments, legal expenses, fees of the Administrator, the Management Fee, internal and external accounting, audit and tax preparation expenses, costs of printing and mailing reports and notices, entity-level taxes, corporate licensing, regulatory expenses (including filing fees), organizational expenses, expenses relating to the offer and sale of Interests, and extraordinary expenses (collectively, "Operating Expenses"). Operating Expenses are shared by all of the Partners, including the General Partner; *provided, however*, that the General Partner does not bear the Management Fee. To the extent that expenses to be borne by the Partnership are paid by the General Partner in excess of its ratable share or by the Management Company, the Partnership shall reimburse such party for its expenses. Notwithstanding the foregoing, organizational expenses of the Partnership in excess of \$75,000 shall be borne by the General Partner and not by the Partnership or the Limited Partners.

ARTICLE V CAPITAL ACCOUNTS; ALLOCATIONS

5.1 Capital Contributions. Each Partner has paid or conveyed by way of contribution to the Partnership cash and/or marketable Securities having an aggregate value as set forth in the Partnership's books and records. Additional Capital Contributions may be made by Limited Partners only in accordance with the provisions of this **Section 5.1**. With the prior approval of the General Partner, a Limited Partner may make additional Capital Contributions to the Partnership in cash and/or marketable Securities at the beginning of any fiscal quarter or at such other times as the General Partner may permit. Whether Securities shall be accepted as a contribution to the Partnership shall be determined in the sole discretion of the General Partner. The General Partner may make Capital Contributions to the Partnership in cash and/or marketable Securities at such times as it may determine.

5.2 Capital Accounts. A capital account (a "Capital Account") shall be established on the books of the Partnership for each Capital Contribution for each Partner. Each Capital Account of each Limited Partner shall be, in an amount equal to the initial Capital Contribution made to such Capital Account, adjusted as hereinafter provided. Multiple Capital Accounts of a Limited Partner shall be combined if they have been in existence for at least one year and the balance of the Loss Recovery Account (as defined below) relating to each such Capital Account is zero. At the beginning of each Accounting Period, each Capital Account of each Partner shall be decreased by the amount of any withdrawals made by such Partner relating to the immediately preceding Withdrawal Date pursuant to **Section 7.2** or any distributions made to such Partner from such Capital Account pursuant to **Section 7.5**. At the end of each Accounting Period, each Capital Account of each Partner shall be increased or decreased by the amount credited or debited to such Capital Account of such Partner pursuant to **Section 5.4**. At the beginning of each fiscal quarter, each Capital Account

of each Limited Partner shall be decreased by the amount of the Management Fee calculated in respect of such Capital Account pursuant to **Section 4.8**. To the extent not provided for in this **Section 5.2**, the Capital Accounts of the Partners shall be adjusted and maintained in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv).

5.3 Partnership Percentages. A “Partnership Percentage” shall be determined for each Capital Account of each Partner for each Accounting Period of the Partnership by dividing the amount of each Capital Account as of the beginning of such Accounting Period by the aggregate Capital Accounts of all Partners as of the beginning of such Accounting Period after taking into account Capital Contributions, withdrawals and distributions. The sum of the Partnership Percentages shall equal 100 percent.

5.4 Allocation of Net Capital Appreciation and Net Capital Depreciation.

(a) At the end of each Accounting Period, each Capital Account of each Partner (including the General Partner) for such Accounting Period shall be adjusted by crediting (in the case of Net Capital Appreciation) or debiting (in the case of Net Capital Depreciation) the Net Capital Appreciation or Net Capital Depreciation, as the case may be, to the Capital Accounts of all of the Partners (including the General Partner) in proportion to their respective Partnership Percentages.

(b) Subject to **Sections 5.4(c)** and **5.4(d)**, at the end of each fiscal year of the Partnership, 17.5% of the Net Increase allocated to each Capital Account of a Limited Partner for such fiscal year shall be reallocated to the Capital Account of the General Partner (the “Incentive Allocation”); *provided, however*, that the Net Increase upon which the calculation of the Incentive Allocation is based shall be reduced to the extent of any unrecovered balance remaining in the Loss Recovery Account (defined below) maintained on the books and records of the Partnership corresponding to such Capital Account. The amount of the unrecovered balance remaining in the Loss Recovery Account at the time of calculating the Incentive Allocation shall be the amount existing immediately prior to its reduction pursuant to the second clause of the second sentence of **Sections 5.4(c)**. The Incentive Allocation shall be calculated separately with respect to each Capital Account of a Limited Partner. In the sole discretion of the General Partner, the Incentive Allocation may be waived, reduced or calculated differently with respect to any Limited Partner. In this regard, any Limited Partner who is also a limited partner of RPCA Financial Ventures L.P. or RPCA Financial Ventures QP L.P., which are two private investment partnerships managed by an Affiliate of the General Partner, shall have the Incentive Allocation applied to his, her or its Capital Account based on a rate of 15% instead of 17.5%.

(c) There shall be established on the books of the Partnership for each Capital Account of each Limited Partner a memorandum account (the “Loss Recovery Account”), the opening balance of which shall be zero. At the end of each fiscal year or at such other date during a fiscal year as the calculation of an Incentive Allocation is required to be made under this **Section 5.4**, the balance in a Limited Partner’s Loss Recovery Account shall be adjusted as follows: first, if there has been, in the aggregate, a Net Decrease with respect to such Capital Account since the immediately preceding date as of which a calculation of an Incentive Allocation was made (or if no calculation has yet been made with respect to such Capital Account, since the initial capital contribution to such Capital Account), an amount equal to such Net Decrease shall be credited to such Loss Recovery Account, and, second, if there has been, in the aggregate, Net Increase with respect to such Capital Account since the immediately preceding date as of which a calculation of an Incentive Allocation was made, an amount equal to such Net Increase, before any Incentive Allocation to the General Partner, shall be debited to and reduce any unrecovered balance in such Loss Recovery Account, but not below zero. In the event that a Limited Partner with an unrecovered balance in a Loss Recovery Account for a Capital Account withdraws all or a portion of the Capital Account, the unrecovered balance in the Loss Recovery Account for such Capital Account shall be reduced, as of the beginning of the next Accounting Period following the

Accounting Period in which the relevant Withdrawal Date occurs, by an amount equal to the product obtained by multiplying the balance in such Loss Recovery Account by a fraction, the numerator of which is the amount of the withdrawal made from the Capital Account by such Limited Partner and the denominator of which is the balance in such Capital Account of a Limited Partner on the last day of the prior Accounting Period. Additional Capital Contributions shall not affect any Loss Recovery Account.

(d) In the event that the Partnership is dissolved other than at the end of a fiscal year, or the date of a Limited Partner's partial or complete withdrawal is other than at the end of a fiscal year, then for purposes of determining the Incentive Allocation, Net Increase shall be determined from the first day of such fiscal year through the termination date (for all Limited Partners), or from the first day of such fiscal year or the date as of which the last Incentive Allocation was determined (whichever is later) through the Withdrawal Date (for the withdrawing Limited Partner only) as if such dates were the end of the fiscal year; *provided, however*, that an Incentive Allocation made in respect of a withdrawal shall be made on that portion of Net Increase over that portion of any unrecovered balance in the Loss Recovery Account attributable to the withdrawn amount, such portion being equal to the product obtained by multiplying Net Increase, determined for the period described above, by the percentage of the Limited Partner's Capital Account being withdrawn. To the extent that an Incentive Allocation is made in connection with a partial withdrawal by a Limited Partner occurring other than at fiscal year end, in computing any subsequent Incentive Allocation with respect to such Limited Partner for such fiscal year, the amount of Net Increase on which any previous Incentive Allocation was made during such period shall be deducted from Net Increase determined in connection with such subsequent Incentive Allocation.

(e) In the event the General Partner determines that, based upon tax or regulatory reasons, or any other reasons as to which the General Partner and any Limited Partner agree, such Partner should not participate (or be limited in its participation) in the Net Capital Appreciation or Net Capital Depreciation, if any, attributable to trading in any Security, type of Security or to any other transaction, the General Partner may allocate such Net Capital Appreciation or Net Capital Depreciation only to the Capital Accounts of Partners to whom such reasons do not apply. In addition, if for any of the reasons described above, the General Partner determines that a Partner should have no interest whatsoever in a particular Security, type of Security or transaction, the interests in such Security, type of Security or transaction may be set forth in a separate memorandum account in which only the Partners having an interest in such Security, type of Security or transaction shall have an interest and the Net Capital Appreciation and Net Capital Depreciation for each such memorandum account shall be separately calculated.

5.5 Amendment of Incentive Allocation. The General Partner shall have the right to amend, without the consent of the Limited Partners, **Section 5.4** of this Agreement so that the Incentive Allocation therein provided conforms to any applicable requirements of the Securities and Exchange Commission and other regulatory authorities; *provided, however*, that no such amendment shall increase the Incentive Allocation that otherwise would be made with respect to a Limited Partner.

5.6 Valuation of Assets and Liabilities.

(a) The Partnership's Securities and instruments shall be valued by the General Partner.

(b) Securities that are listed on a national securities exchange (including such Securities when traded in the after hours market) will be valued at their last sales prices on the date of determination on the largest securities exchange (by trading volume in such Security) on which such Securities were traded on such date, or, if trading in such Securities on the largest securities exchange (by trading volume in such Security) on which such Securities were traded on such date was reported on the consolidated tape, their last sales prices

on the consolidated tape (or, in the event that the date of determination is not a date upon which a securities exchange was open for trading, on the last prior date on which such securities exchange was so open not more than 10 days prior to the date of determination). If no such sales of such Securities occurred on either of the foregoing dates, such Securities will be valued at the “bid” price for long positions and “asked” price for short positions on the largest securities exchange (by trading volume in such Security) on which such Securities are traded on the date of determination (or, if the date of determination is not a date upon which such securities exchange was open for trading, on the last prior date on which such a securities exchange was so open not more than 10 days prior to the date of determination). Securities that are not listed on an exchange but are traded over-the-counter will be valued at representative “bid” quotations if held long by the Partnership and representative “asked” quotations if held short by the Partnership, unless included in the Nasdaq National Market System, in which case they will be valued based upon their last sales prices (if such prices are available); *provided, however*, that if the last sales price of a Security does not fall between the last “bid” and “asked” price for such Security on such date, then the General Partner will value such Security at the mean between the last “bid” and “asked” price for such Security on such date. Options that are listed on a securities exchange will be valued at their last sales prices on the date of determination on the largest securities exchange on which such options were traded on such date; *provided, however*, that if the last sales prices of such options do not fall between the last “bid” and “asked” prices for such options on such date, then the General Partner will value such options at the mean between the last “bid” and “asked” prices for such options on such date. Securities not denominated in U.S. dollars will be translated into U.S. dollars at prevailing exchange rates as the General Partner may reasonably determine. Securities for which no such market prices are available will be valued at such value as the General Partner may reasonably determine.

(c) All other assets of the Partnership (except goodwill, which shall not be taken into account) shall be assigned such value as the General Partner may reasonably determine.

(d) If the General Partner determines that the value of any Securities or other property as determined pursuant to **Sections 5.6(b)** and **5.6(c)** does not represent the fair value of such Securities or other property, the General Partner, in its sole discretion, shall value such Securities or other property as it reasonably determines and shall set forth the basis of such valuation in writing in the Partnership’s records.

(e) All values assigned to Securities and other assets by the General Partner pursuant to this **Section 5.6** shall be final and conclusive as to all of the Partners.

5.7 Liabilities. Liabilities shall be determined using generally accepted accounting principles (“GAAP”), as a guideline, applied on a consistent basis; *provided, however*, that the General Partner in its sole discretion may provide reserves for estimated expenses, liabilities or contingencies, including general reserves for unspecified contingencies (even if such reserves are not in accordance with GAAP).

5.8 Allocation for Tax Purposes. For each fiscal year, items of income, deduction, gain, loss or credit shall be allocated for income tax purposes among the Partners in such manner as to reflect equitably amounts credited or debited to each Partner’s Capital Account for the current and prior fiscal years (or relevant portions thereof). Allocations under this **Section 5.8** shall be made pursuant to the principles of Sections 704(b) and 704(c) of the Code, and Treasury Regulations Sections 1.704-1(b)(2)(iv)(f) and (g), 1.704-1(b)(4)(i) and 1.704-3(e) promulgated thereunder, as applicable, or the successor provisions to such Sections and Treasury Regulations. Notwithstanding anything to the contrary in this Agreement, there shall be allocated to the Partners such gains or income as shall be necessary to satisfy the “qualified income offset” requirements of Treasury Regulations Section 1.704 -1(b) (2)(ii)(d).

If the Partnership realizes ordinary income and/or capital gains (including short-term capital gains) for federal income tax purposes (collectively, “income”) for any fiscal year during or as of the end of which one or more Positive Basis Partners (as hereinafter defined) withdraw from the Partnership pursuant to **ARTICLE VII**, the General Partner may elect to allocate such income as follows: (i) to allocate such income among such Positive Basis Partners, *pro rata* in proportion to the respective Positive Basis (as hereinafter defined) of each such Positive Basis Partner, until either the full amount of such income shall have been so allocated or the Positive Basis of each such Positive Basis Partner shall have been eliminated, and (ii) to allocate any income not so allocated to Positive Basis Partners to the other Partners in such manner as shall equitably reflect the amounts allocated to such Partners’ Capital Accounts pursuant to **Section 5.4**.

If the Partnership realizes deductions, ordinary losses and/or capital losses (including long-term capital losses) for federal income tax purposes (collectively, “losses”) for any fiscal year during or as of the end of which one or more Negative Basis Partners (as hereinafter defined) withdraw from the Partnership pursuant to **ARTICLE VII**, the General Partner may elect to allocate such losses as follows: (i) to allocate such losses among such Negative Basis Partners, *pro rata* in proportion to the respective Negative Basis (as hereinafter defined) of each such Negative Basis Partner, until either the full amount of such losses shall have been so allocated or the Negative Basis of each such Negative Basis Partner shall have been eliminated and (ii) to allocate any losses not so allocated to Negative Basis Partners to the other Partners in such manner as shall equitably reflect the amounts allocated to such Partners’ Capital Accounts pursuant to **Section 5.4**.

As used herein, (i) the term “Positive Basis” shall mean, with respect to any Partner and as of any time of calculation, the amount by which (x) its interest in the Partnership (determined in accordance with **Section 3.2**) as of such time, plus an amount equal to any deemed distributions to such Partner for federal income tax purposes pursuant to Section 752(b) of the Code resulting from its withdrawal, exceeds (y) its “adjusted tax basis”, for federal income tax purposes, in its interest in the Partnership as of such time and (ii) the term “Positive Basis Partner” shall mean any Partner who withdraws from the Partnership and who has Positive Basis as of the effective date of its withdrawal (determined prior to any allocations made pursuant to this **Section 5.8**).

As used herein: (i) the term “Negative Basis” shall mean, with respect to any Partner and as of any time of calculation, the amount by which (x) its interest in the Partnership (determined in accordance with **Section 3.2**) as of such time, plus an amount equal to any deemed distributions to such Partner for federal income tax purposes pursuant to Section 752(b) of the Code resulting from its withdrawal, is less than (y) its “adjusted tax basis”, for federal income tax purposes, in its interest in the Partnership as of such time; and (ii) the term “Negative Basis Partner” shall mean any Partner who withdraws from the Partnership and who has Negative Basis as of the effective date of its withdrawal (determined prior to any allocations made pursuant to this **Section 5.8**).

5.9 Determinations by General Partner. All matters concerning the valuation of Securities and other assets, liabilities, profits and losses of the Partnership, the allocation of income, deductions, gains and losses among the Partners, including taxes thereon, and accounting procedures not expressly provided for by the terms of this Agreement shall be determined by the General Partner, whose determination shall be final and conclusive as to all of the Partners.

5.10 Adjustments to Take Account of Certain Events. If the Code or Treasury Regulations promulgated thereunder require a withholding or other adjustment to the Capital Account(s) of a Partner or some other event occurs necessitating in the General Partner’s judgment an equitable adjustment, the General Partner shall make such adjustments in the determination and allocation among the Partners of Net Increase, Net Decrease, Capital Accounts, Partnership Percentages, Incentive Allocation, Management Fee, items of

income, deduction, gain, loss, credit or withholding for tax purposes, accounting procedures or such other financial or tax items as shall equitably take into account such event and applicable provisions of law, and the determination thereof by the General Partner shall be final and conclusive as to all of the Partners.

ARTICLE VI ADMISSION OF NEW PARTNERS

6.1 New Partners. Subject to the condition that each new Partner shall execute an appropriate supplement to this Agreement pursuant to which it agrees to be bound by the terms and provisions hereof, the General Partner may admit one or more new Partners as of the beginning of any month, subject to the sole discretion of the General Partner to admit such Partners at any time. Admission of a new Partner shall not be cause for dissolution of the Partnership.

In addition, certain investors may be offered interests which differ from the Interests as to, among other things, the Incentive Allocation, the Management Fee, the Lock-Up Period (as defined in Sec. 5.02(a)) and other withdrawal rights (including withdrawal dates and notice requirements), minimum and additional subscription amounts and in other respects.

ARTICLE VII WITHDRAWALS AND DISTRIBUTIONS OF CAPITAL

7.1 Withdrawals and Distributions in General. No Partner shall be entitled to: (i) receive distributions from the Partnership, except as provided in **Sections 7.5** and **8.2**; or (ii) withdraw any amount from a Capital Account of a Partner, except as provided in **Sections 7.2** or upon the consent of, and upon such terms as may be determined by, the General Partner in its sole discretion.

7.2 Withdrawals.

(a) Subject to **Sections 7.5(d)** and **7.7**, each Limited Partner shall have the right to withdraw all or a portion of its Capital Account(s), upon providing 45 days' prior written notice, effective as of the last day of (i) the fourth full fiscal quarter following the establishment of such Capital Account (the "Lock-Up Period") and (ii) each fiscal quarter thereafter. Notwithstanding the foregoing, a Limited Partner, upon providing 45 days' prior written notice, may withdraw all or a portion of a Capital Account as of the last day of a fiscal quarter during the Lock-Up Period subject to a withdrawal fee equal to 3% of the amount being withdrawn (the "Withdrawal Fee"). Such Withdrawal Fee shall be retained by the Partnership and will be effected by withholding a portion of the Limited Partner's withdrawal proceeds. The General Partner may waive or reduce the Withdrawal Fee in its sole discretion. Withdrawals of capital shall be made on a "first in-first out" basis. Such notice shall be irrevocable unless waived by the General Partner in its sole discretion. The General Partner may, in its sole discretion, elect to waive any notice period or allow a notice to be revoked. A "Withdrawal Date" shall be any date on which a Limited Partner withdraws all or any portion of any of its Capital Accounts. Withdrawals will be deemed to be effective immediately following the applicable Withdrawal Date. Subject to the restrictions and limitations set forth below, the General Partner will endeavor to make payments of any amount withdrawn within 30 days after the Withdrawal Date; *provided, however*, that if a Limited Partner elects to withdraw 95% or more of a Capital Account (computed on the basis of unaudited data), the Partnership shall pay the Limited Partner an amount equal to 95% of its estimated withdrawal proceeds (computed on the basis of unaudited data as of the Withdrawal Date) within 30 days following the Withdrawal Date. The Partnership shall pay such Limited Partner the balance of its withdrawal (subject to audit adjustments) within 30 days after completion of the audit of the Partnership's books for the year in which such withdrawal occurs. The interest of a Limited Partner that gives notice of

withdrawal pursuant to this **Section 7.2(a)** shall not be included in calculating the Partnership Percentages of the Limited Partners required to take any action under this Agreement.

(b) The General Partner may, at the end of each fiscal quarter, withdraw all or any portion of its Capital Account.

(c) Notwithstanding the foregoing provisions of this **Section 7.2**, at all times during the life of the Partnership, the General Partner and its Affiliates may not make a withdrawal from its respective Capital Account unless the aggregate balance of the General Partner's and its Affiliates' Capital Accounts will equal or exceed \$1,500,000 following such withdrawal.

7.3 Required Withdrawals. The General Partner may, in its sole discretion, terminate all or any part of the interest of any Limited Partner upon at least 5 days' prior written notice, for any reason or no reason, including a determination by the General Partner that such Partner's continued participation in the Partnership may cause the Partnership to be treated as a "publicly traded partnership" taxable as a corporation for federal tax purposes. The Partner receiving such notice shall be treated for all purposes and in all respects as a Partner who has given notice of withdrawal of all or part of its Capital Account(s), as the case may be, under **Section 7.2**.

7.4 Death, Disability, Etc. of Limited Partners.

(a) The withdrawal, death, disability, incapacity, adjudication of incompetency, termination, bankruptcy, insolvency or dissolution of a Limited Partner shall not dissolve the Partnership. The legal representatives of a Limited Partner shall succeed as assignee to the Limited Partner's interest in the Partnership upon the death, disability, incapacity, adjudication of incompetency, termination, bankruptcy, insolvency or dissolution of such Limited Partner, but shall not be admitted as a substitute partner without the consent of the General Partner, in its sole discretion.

(b) In the event of the death, disability, incapacity, adjudication of incompetency, termination, bankruptcy, insolvency or dissolution of a Limited Partner, the Limited Partner or its legal representatives shall promptly notify the General Partner of such event. The General Partner shall cause such Limited Partner's interest to be withdrawn as of the last day of the fiscal quarter following 45 days' prior written notice (subject to the discretion of the General Partner to cause such Limited Partner's interest to be earlier withdrawn). If a Limited Partner and/or its legal representatives fail to notify the General Partner of such Limited Partner's death, disability, incapacity, adjudication of incompetency, termination, bankruptcy, insolvency or dissolution, the interest of such Limited Partner shall continue at the risk of the Partnership's business.

7.5 Distributions.

(a) The General Partner may, in its sole discretion, make distributions in cash, in kind or partially in cash and partially in kind, (i) in connection with a withdrawal of funds from the Partnership by a Partner and (ii) at any time to all of the Partners on a *pro rata* basis in accordance with the Partners' Partnership Percentages.

(b) If a distribution is made in kind, immediately prior to such distribution, the General Partner shall determine the fair market value of the property distributed and adjust the Capital Accounts of all Partners upwards or downwards to reflect the difference between the book value and the fair market value thereof, as if such gain or loss had been recognized upon an actual sale of such property and allocated pursuant to **Section 5.4**. Each such distribution shall reduce the Capital Account(s) of the distributee Partner by the fair market value thereof.

(c) The provisions of this **Section 7.5** shall apply to distributions made in connection with any withdrawal under this **ARTICLE VII** and in connection with dissolution pursuant to **ARTICLE VIII** unless otherwise provided for in **ARTICLE VIII**.

(d) (i) The General Partner may withhold and pay over to the Internal Revenue Service (or any other relevant taxing authority) such amounts as the Partnership is required to withhold or pay over, pursuant to the Code or any other applicable law, on account of a Partner's distributive share of the Partnership's items of gross income, income or gain.

(ii) For purposes of this Agreement, any taxes so withheld or paid over by the Partnership with respect to a Partner's distributive share of the Partnership's gross income, income or gain shall be deemed to be a distribution or payment to such Partner, reducing the amount otherwise distributable to such Partner pursuant to this Agreement and reducing the Capital Account(s) of such Partner. If the amount of such taxes is greater than any such distributable amounts, then such Partner and any successor to such Partner's interest shall pay the amount of such excess to the Partnership, as a contribution to the capital of the Partnership.

(iii) The General Partner shall not be obligated to apply for or obtain a reduction of, or exemption from, withholding tax on behalf of any Partner that may be eligible for such reduction or exemption. To the extent that a Partner claims to be entitled to a reduced rate of, or exemption from, a withholding tax pursuant to an applicable income tax treaty, or otherwise, the Partner shall furnish the General Partner with such information and forms as such Partner may be required to complete where necessary to comply with any and all laws and regulations governing the obligations of withholding tax agents. Each Partner represents and warrants that any such information and forms furnished by such Partner shall be true and accurate and agrees to indemnify the Partnership and each of the Partners from any and all damages, costs and expenses resulting from the filing of inaccurate or incomplete information or forms relating to such withholding taxes.

(e) The General Partner shall give at least 15 days' prior written notice to each Limited Partner that is a BHC Limited Partner (as defined below) of any proposal to distribute property in kind to such Limited Partner and the proposed date of such distribution, and shall not make any such distribution in kind to the extent that such Limited Partner advises the General Partner at least five days prior to the date set forth in such notice for such distribution that such distribution in kind could reasonably be expected to cause it to violate the Bank Holding Company Act of 1956, as amended (the "BHCA"). A "BHC Limited Partner" shall mean any Limited Partner that is, or is an affiliate of, a bank holding company (as defined in Section 2(a) of the BHCA) that is subject to the provisions of Regulation Y issued by the Board of Governors of the Federal Reserve System.

7.6 Effective Date of Withdrawal. Unless otherwise specified herein, the effective date of a Partner's withdrawal shall mean the day immediately following: (i) the Withdrawal Date in the case of a withdrawal pursuant to **Section 7.2(a)**; or (ii) the date determined by the General Partner if such Partner shall be required to withdraw from the Partnership pursuant to **Section 7.3**. In the event the Withdrawal Date of a Partner shall be a date other than the last day of a fiscal year of the Partnership, the Capital Account(s) of the withdrawing Partner shall be adjusted pursuant to **Section 5.4(b)** as if the Withdrawal Date of such Partner's withdrawal were the last day of a fiscal year.

7.7 Limitations on Withdrawal of Capital Account.

(a) The right of any Partner or its legal representatives to withdraw any amount from its Capital Account(s) and to have distributed to it any such amount (or any portion thereof) pursuant to this **ARTICLE VII** is subject to the provision by the General Partner for all Partnership liabilities in accordance with the Act and for reserves for contingencies and estimated accrued expenses and liabilities in accordance with

Section 5.7. In addition, no withdrawal shall be permitted that would result in a Capital Account having a negative balance. The unused portion of any reserve shall be distributed to the Partners to which the reserve applied after the General Partner shall have determined that the need therefor shall have ceased.

(b) The General Partner, by written notice to the Limited Partners, may suspend withdrawal rights, in whole or in part, when there exists in the opinion of the General Partner a state of affairs where disposal of the Partnership's assets, or the determination of the value of a Limited Partner's Capital Account or the net asset value of the Partnership, would not be reasonably practicable or would be seriously prejudicial to the non-withdrawing Limited Partners.

(c) In the event that withdrawal requests are received in any fiscal quarter and such requests exceed 25% of the net asset value of the Partnership as of such date (the "Gate"), the General Partner may, in its sole discretion, (i) satisfy all such withdrawal requests or (ii) reduce such withdrawal requests *pro rata* in accordance with withdrawal requests, so that an amount equal to the Gate (or more, in the sole discretion of the General Partner) is withdrawn. A withdrawal request that is not satisfied in full because of the Gate will be fully satisfied as of the last day of the next fiscal quarter as long as it is not limited by the Gate (and if not fully satisfied as of the next fiscal quarter because of the Gate, then it will be fully satisfied as of the next fiscal quarter and, if necessary, successive fiscal quarters each time subject to the Gate; *provided, however*, that any such withdrawal request will be fully satisfied before satisfying any later withdrawal requests), and any unsatisfied portion of any such withdrawal request will continue to be at risk in the Partnership's business. The portion of the withdrawal requests that are not satisfied on a Withdrawal Date shall remain invested in, and therefore still subject to the risks of, the Partnership until such time as they are withdrawn.

(d) The General Partner, by written notice to any Limited Partner, may suspend payment of withdrawal proceeds payable to such Limited Partner if the General Partner reasonably deems it necessary to do so to comply with anti-money laundering laws and regulations applicable to the Partnership, the General Partner, the Management Company, the Administrator and their affiliates, subsidiaries and associates or any of the Partnership's other service providers.

7.8 Withdrawals by BHC Limited Partners. If at any time, as a result of proposed withdrawals by or distributions to other Partners, or for any other reason, the General Partner expects a BHC Limited Partner's interest in the Partnership to exceed 24.99% of the aggregate interests in the Partnership of all of the Partners, the General Partner shall immediately notify such BHC Limited Partner and permit such BHC Limited Partner to immediately withdraw so much of its capital in the Partnership as shall be necessary to maintain such BHC Limited Partner's total investment in the Partnership at a level below 25% of the aggregate interests in the Partnership of all of the Partners.

ARTICLE VIII DURATION AND DISSOLUTION OF THE PARTNERSHIP

8.1 Duration. The Partnership shall continue until the earliest of (i) such time as the General Partner, in its sole discretion, decides to terminate the Partnership, (ii) the insolvency, bankruptcy, dissolution or termination of the General Partner or (iii) any event which, under applicable law, would result in the termination of the Partnership. Upon a determination to dissolve the Partnership, withdrawal requests and distributions in respect of pending withdrawals may not be made.

8.2 Dissolution.

(a) Upon dissolution of the Partnership, the General Partner shall, within no more than 30 days after completion of a final audit of the Partnership's financial statements (which shall be performed within 90 days of such dissolution), make distributions out of the Partnership's assets, in the following manner and order:

(i) to creditors, including Partners who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Partnership (whether by payment or by establishment of reserves); and

(ii) to the Partners in the proportion of their respective Capital Accounts.

(b) The General Partner, in its sole discretion, at any time and from time to time, may designate one or more liquidators, including, without limitation, one or more members of the General Partner, who shall have full authority to wind up and liquidate the business of the Partnership and to make final distributions as provided in this **Section 8.2**. The appointment of any liquidator may be revoked or a successor or additional liquidator or liquidators may be appointed at any time by an instrument in writing signed by the General Partner. Any such liquidator may receive compensation as shall be fixed, from time to time, by the General Partner.

(c) In the event that the Partnership is dissolved on a date other than the last day of a fiscal year, the date of such dissolution shall be deemed to be the last day of a fiscal year for purposes of adjusting the Capital Accounts of the Partners pursuant to **Section 5.4**. For purposes of distributing the assets of the Partnership upon dissolution, the General Partner shall be entitled to a return, on a *pari passu* basis with the Limited Partners, of the amount standing to its credit in its Capital Account and, with respect to its share of profits, based upon its Partnership Percentage.

ARTICLE IX BOOKS AND RECORDS; TAX RETURNS; REPORTS AND NOTICES TO PARTNERS

9.1 Maintenance of Books and Records, Etc. The Partnership shall maintain books and records in such manner as is utilized in preparing the Partnership's U.S. federal information tax return in compliance with Section 6031 of the Code, and such other records as may be required in connection with the preparation and filing of the Partnership's required U.S. federal, state and local income tax returns or other tax returns or reports of foreign jurisdictions, including, without limitation, the records reflecting the Capital Accounts and adjustments thereto specified in **ARTICLE V**. All such books and records shall at all times be made available at the principal office of the Partnership and shall be open to the reasonable inspection and examination of the Partners or their duly authorized representatives during normal business hours upon five Business Days' prior written notice.

9.2 Financial Statements; Reports to Partners.

(a) If the Partnership has \$10.0 million or more of net assets as of the end of a fiscal year of the Partnership, the financial statements of the Partnership shall be audited by an independent certified public accountant selected by the General Partner. If the Partnership has less than \$10.0 million or more of net assets as of the end of a fiscal year of the Partnership, the General Partner will have the discretion to determine whether the financial statements of the Partnership are audited by an independent certified public accountant. If the financial statements are not audited for a fiscal year, the General Partner shall prepare unaudited financial statements in accordance with GAAP.

(b) Within 90 days after the end of each fiscal year or as soon thereafter as is reasonably possible, the Partnership shall prepare and provide access to each Partner, a financial report (which need not include the list of the Partnership's investments that may be required by GAAP), together with the audit report thereon

if one is required pursuant to **Section 9.2(a)**, setting forth as of the end of such fiscal year: (i) a balance sheet of the Partnership; (ii) a statement showing the Net Increase or Net Decrease, as the case may be, for such year; (iii) such Partner's Capital Account(s) as of the end of such year; and (iv) such Partner's Capital Account(s) and Partnership Percentage(s) for the then current Accounting Period.

(c) The Partnership shall also provide periodic unaudited account statements, no less frequently than quarterly, to the Limited Partners. The unaudited account statements shall contain, a minimum, the balance of the Limited Partner's Capital Account. The Partnership may offer certain Limited Partners additional information and reporting that other Limited Partners may not receive.

9.3 Filing of Tax Returns; Schedule K-1s.

(a) The General Partner or its designated agent shall prepare and file, or cause the accountants of the Partnership to prepare and file, a federal information tax return in compliance with Section 6031 of the Code, and any required state and local income tax and information returns for each tax year of the Partnership.

(b) Subject to the General Partner receiving all necessary information from third parties, within 90 days after the end of each fiscal year of the Partnership, the General Partner shall send each person who was a Partner at any time during the fiscal year then ended (including any permitted assignee of a Partner who so requests in writing) a Schedule K-1 and such Partnership tax information as the General Partner reasonably believes shall be necessary for the preparation by such Person of its U.S. federal, state and local tax returns in accordance with any applicable laws, rules and regulations then prevailing. Such information shall include a statement showing such person's share of distributions, income, gain, loss, deductions and credit and other relevant fiscal items of the Partnership for such fiscal year.

9.4 Tax Matters Representative

(a) **Appointment; Resignation.** The Partners hereby appoint the General Partner as the "partnership representative" as provided in Code Section 6223(a) (the "Tax Matters Representative"). The Tax Matters Representative shall designate an individual satisfying the requirements of Treasury Regulations Section 301.6223-1(b)(3) to act as the sole person authorized to represent the Tax Matters Representative in any U.S. federal tax audits or proceedings under Subchapter C of Chapter 63 of the Code (the "Designated Individual"). Any person that the Tax Matters Representative designates as the Designated Individual shall be treated as, and subject to the requirements and obligations of, the Tax Matters Representative for purposes of this Section 9.4. The Designated Individual can be removed at any time by the Tax Matters Representative. The Tax Matters Representative shall resign if it is no longer a Partner, and the Designated Individual shall resign if it is no longer an officer of the General Partner. In the event of the resignation or removal of the Tax Matters Representative a majority-in-interest of the other Partners shall select a replacement Tax matters Representative.

(b) **Tax Examinations and Audits.** The Tax Matters Representative is authorized and required to represent the Partnership (at the Partnership's expense) in connection with all examinations of the Partnership's affairs by taxing authorities, including resulting administrative and judicial proceedings, and to expend Partnership funds for professional services and costs associated therewith. The Tax Matters Representative shall have the sole authority to act on behalf of the Partnership in any such examinations and any resulting administrative or judicial proceedings, and shall have the sole discretion to determine whether the Partnership (either on its own behalf or on behalf of the Partners) will contest or continue to contest any tax deficiencies assessed or proposed to be assessed by any taxing authority.

(c) **BBA Elections.** The Tax Matters Representative, in its sole discretion, shall have the right to take any actions (including making any elections) that are available to be made or taken by the Tax Matters Representative or the Partnership under the partnership audit procedures under Subchapter C of Chapter 63 of the Code (as amended by the Bipartisan Budget Act of 2015 (the “BBA”) (the “BBA Procedures”) (including an election under Code Section 6226), and the Partners shall take such actions required by the Tax Matters Representative. To the extent that the Tax Matters Representative does not cause the Partnership to make an election under Code Section 6221(b) or Code Section 6226, (i) the Partnership shall use commercially reasonable efforts to make any modifications available under Code Section 6225(c)(3), (4), and (5), and (ii) the Partners shall take such actions as requested by the Tax Matters Representative, including filing amended tax returns and paying any tax due under Code Section 6225(c)(2)(A) or paying any tax due and providing applicable information to the Internal Revenue Service under Code Section 6225(c)(2)(B).

(d) **Tax Returns and Tax Deficiencies.** Each Partner agrees that such Partner shall not treat any Partnership item inconsistently on such Partner’s federal, state, foreign, or other income tax return with the treatment of the item on the Partnership’s return. Any deficiency for taxes imposed on any Partner or former Partner (including penalties, additions to tax, or interest imposed with respect to such taxes, and any taxes imposed pursuant to Code Section 6226) shall be paid by such Partner and if required to be paid (and actually paid) by the Partnership, will be recoverable from such Partner.

(e) **Section 754 Election.** The Tax Matters Representative shall make an election under Code Section 754 if requested in writing by another Partner.

(f) **Tax Returns.** The Tax Matters Representative shall cause to be prepared and timely filed all tax returns required to be filed by or for the Partnership.

(g) **Indemnification.** The Partnership shall defend, indemnify, and hold harmless the Tax Matters Representative against any and all liabilities sustained or incurred as a result of any act or decision concerning Partnership tax matters and within the scope of such Partner’s responsibilities as Tax Matters Representative, so long as such act or decision was done or made in good faith and does not constitute gross negligence or willful misconduct.

(h) **Survival.** The obligations of each Partner or former Partner under this Section 9.4 shall survive the transfer or redemption by such Partner of its partnership interests, the termination of this Agreement, or the dissolution of the Partnership.

9.5 Reports to Partners and Former Partners. Within 90 days of the end of each fiscal year or as soon thereafter as is reasonably possible, the Partnership shall prepare and provide access to each Partner and, to the extent necessary, to each former Partner (or its legal representatives), a report setting forth in sufficient detail such information as shall enable such Partner or former Partner (or such Partner’s legal representatives) to prepare its federal income tax return in accordance with the laws, rules and regulations then prevailing.

9.6 Partner Tax Basis. Upon request of the General Partner, each Partner agrees to provide to the General Partner information regarding its adjusted tax basis in its interest in the Partnership along with documentation substantiating such amount.

ARTICLE X AMENDMENTS

10.1 Amendments to Partnership Agreement.

(a) Except as set forth in **Section 10.1(a)** below, the terms and provisions of this Agreement may be modified or amended at any time and from time to time with the written consent of Limited Partners having in excess of 50% of the Partnership Percentages of the Limited Partners and the written consent or affirmative vote of the General Partner

(b) Without the consent of the Limited Partners, the General Partner may amend this Agreement to: (i) reflect changes validly made in the membership of the Partnership and the Capital Contributions and Partnership Percentages of the Partners; (ii) change the provisions relating to the Incentive Allocation as provided in, and subject to the provisions of, **Section 5.5**; (iii) reflect a change in the name of the Partnership; (iv) make a change that is necessary or, in the opinion of the General Partner, advisable to qualify the Partnership as a limited partnership or a partnership in which the Limited Partners have limited liability under the laws of any state or foreign jurisdiction, or ensure that the Partnership shall not be treated as an association taxable as a corporation or as a publicly traded partnership taxable as a corporation for federal tax purposes; (v) make a change that does not adversely affect the Limited Partners in any material respect; (vi) make a change that is necessary or desirable to cure any ambiguity, to correct or supplement any provision in this Agreement that would be inconsistent with any other provision in this Agreement, or to make any other provision with respect to matters or questions arising under this Agreement that shall not be inconsistent with the provisions of this Agreement, in each case so long as such change does not adversely affect the Limited Partners in any material respect; (vii) make a change that is necessary or desirable to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity, so long as such change is made in a manner that minimizes any adverse effect on the Limited Partners; (viii) make a change that is required or contemplated by this Agreement; (ix) make a change in any provision of this Agreement that requires any action to be taken by or on behalf of the General Partner or the Partnership pursuant to applicable Delaware law if the provisions of applicable Delaware law are amended, modified or revoked so that the taking of such action is no longer required; (x) prevent the Partnership from in any manner being deemed an “investment company” subject to the provisions of the 1940 Act; or (xi) make any other amendments similar to the foregoing. Each Partner, however, must approve of any amendment that would (a) reduce its Capital Account(s) or rights of contribution or withdrawal; or (b) amend the provisions of this **Section 10.1**.

ARTICLE XI MISCELLANEOUS

11.1 Notices. All notices and demands required or permitted under this Agreement shall be in writing and may be sent by U.S. mail, first class mail, postage prepaid, nationally recognized courier service or personal delivery to the General Partner at the principal place of business of the Partnership and to the Limited Partners at their addresses as shown from time to time on the records of the Partnership, provided that any Limited Partner may specify a different address by notifying the General Partner in writing of such different address.
